Memorandum Of Understanding
Between
the Association of Round Tables
Malta and 41 Club Melita

The Association of Round Tables Malta (hereinafter referred to as ARTM) understands that 41 Club Melita (hereinafter referred to as 41CM) is their past and their future; and 41 Club Melita understands that the Association of Round Tables Malta is their past and their future. In view of this common understanding, both organisations undertake to work together to achieve the following goals:

1. To ensure the growth and continuity of each organisation’s member clubs, each organisation will assist the other in creating and/or enlarging the number of members clubs. The aim is to increase members for the mutual benefit of each organisation;

2. ARTM will encourage all member Tablers to join 41 CM Melita when they reach the age limit as defined in the rules of ARTM. The aim is that it will facilitate the normal progression of all Tablers to join 41CM in order to “continue Tabling” and to assist ARTM and the affiliated clubs within ARTM;

3. 41CM will regularly encourage its members to identify potential Round Table members within their family, friends, or workplace. The aim is that Round Table membership will increase, with the eventual benefit of future additional members for 41CM.

4. Each organisation will invite the President or a representative from the other organisation to attend their AGM, and the invitation will cover registration of the President and his partner. The aim is to cement the friendship between both organisations.

5. Both organisations agree to hold a joint board meeting each year. The aim is to ensure that the above aims are being achieved, and the following areas may be looked at to see if they could or should be used. It is recognised by both organisations that we can only encourage:
   a) Links between ARTM and 41CM websites and other social media applications,
   b) Regular meetings between ARTM and 41CM councils,
   c) Articles in any media by each organisation to mention the other organisation
   d) ARTM President and 41CM Chairman jointly to write to members about to leave Round Table about the benefits of joining 41CM in order to continue tabling and to assist ARTM and the affiliated clubs within ARTM, when requested,
   e) Finding a common charity for both organisations to sponsor (if logical or desirable)
   f) Regular meetings by all member clubs of each organisation,
   g) Growth of each or both of the organisations by any other method.

6. This Memorandum of Understanding will be agreed and reviewed every two years by the boards of both organisations to see if any changes should be made.
